1301 – CPR – 2241

In compliance with Regulation (EU) No 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Portland-slag cement EN 197-1 – CEM II/B-S 52,5 N white

used for the production of concrete, mortar, grout mortar and other mixes for construction as well as for the manufacture of construction products.

Placed on the market under the name of

Danucem Slovensko a.s.
906 38 Rohožník
Slovak Republic

and produced in the manufacturing plant

Danucem Slovensko a.s.
906 38 Rohožník

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 197-1: 2011

under system 1+ for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 20 October 2023 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.
